

MODERN PEN TECHNIQUES, LOSING CONTACT with Carl Rohrs

This 4 lesson course will take you through the full realm of taking a classic italic into modern variations with straight strokes into sweeping upstrokes, rocking onto the corner of a pen, flicks, swashes, additional alphabets and so much more

Supply List:

VERY few supplies are needed for this class. They are as follows:

- Strathmore 300 Series Charcol paper, yellow covered pad 11 x 17, OR any paper you prefer that provides a little tooth for writing.
- Higgens Eternal or Higgens Sepia Ink are recommended, but try your own non-waterproof inks as well.
- Horizon Pen, Carl's favorite size is 5/16th. Other sizes are available as well through Paper and Ink Arts [HERE](#)
- Straight edge ruler
- Pencil for lining

Optional:

- Parallel Pens and Automatic Pens will be shown as well, but it is NOT necessary to purchase them if you don't have them already
- Gouache for colors if you prefer to write in color. Carl will be lettering in ink.

Most of these items are also available in the Acorn Arts Amazon Shop.

We always encourage you to use what you have on hand. Play with what you have, and then buy what you need.
